NEWFIELDS

Corporate Membership

Corporate membership at Newfields is an annual program designed to give exclusive access to our exhibitions, gardens, programs, and events throughout the year. Income from corporate membership provides critical support for education programs, community access and diversity initiatives, conservation efforts, and ongoing operations.

Corporate members of Newfields receive exclusive benefits for company executives, clients, and employees. Benefits may include Executive membership cards, discounts on individual memberships extended to all company employees, opportunities to host your own events at Newfields, and shopping discounts. If interested, please see the membership order form and benefit breakdown for additional details.

For inquiries regarding corporate membership or sponsorship, please contact **Riley Hill-Kartel,** Corporate Giving Officer, at (317) 923-1331 ext 277 or rhillkartel@discovernewfields.org
